S i r,

I have the honor to state that one Sahukar Poorasetty of Hassan deposited a sum of Rs. 500/- in the Belur taluk Treasury which is now held under savings bank deposit in account No.3 for the performance of a seva out of the interest accruing in the Sri Channakeasavaswamy temple at Belur, on Apposative 3rd every year. As the interest on the said sum was very small to meet the expenditure of the seva in question, the donor's heirs to substantially the sum by adding on the interest accruing every year to the principal amount did not draw the interest but remitted to the Amildar an additional sum of Rs. 55/- each year for conducting the seva. This procedure continued till the year 1911 when the heirs of the donor represented through several petitions that they might be informed of the gross amount of the sum deposited by their father and whether it would not be possible to conduct the seva out of the interest which may be allowed subsequently. As this amount was also included with other sums under one account number viz 20 it is reported by the Amildar that it was not possible to know the exact amount and as such the petitioners were not given any satisfactory reply. As a result, the sum has been lying continued from the year 1911. The question was again opened by one Krishna Shetty, grandson of the donor, who represents in his statement of 25-12-21 that he is willing to make up the sum to Rs. 1000/- and that orders may be issued for the revival of the seva the expenditure being met out of the interest on Rs. 1000/-. The Amildar of Belur Taluk reports in his No. 54 dated 4th April

1922 that the original [illegible] 30/- [illegible]
30-7-10 at the end of [illegible]
of the seva will cease [illegible] /- [illegible]

the seva as per Govern[illegible] order No. [illegible] dated
17th septemebr 1914 and that order [illegible] revising
the seva from the current year. If this [illegible]
added, the total amount will [illegible]
will have to pay ₹ 24/- only to Lichi[illegible] already [illegible].

Under the above circumstances, I [illegible]
so good as to obtain the sanction of Govern[illegible]
the said sum of ₹ 1000/- and to conduct the [illegible]
interest accuring every year through Government [illegible]
present amount viz ₹ 976/- being separated from [illegible]
